Subject : Government's Commitment to Renewable Energy Development in India

Sir,

In order to give further momentum to India's target of installation of 500 GW of non-fossil fuel based installed electricity capacity by 2030, the Chandigarh Administration hereby makes the following commitments:

- a. Since Solar is the only Source of Renewable Energy due to its demography and land availability the UT Administration commits to the following plan of renewable energy capacity addition:

Sector	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30	Total
Solar Energy (GW)	0.077	0.108	0.010	0.010	0.010	0.010	0.224

- b. The Chandigarh Administration commits to the following renewable energy procurement plan, which may include from the capacity mentioned in 1(a) above, in compliance with the guidelines set forth by the Ministry of New and Renewable Energy (MNRE) and other relevant regulatory authorities :

Sector	2024-25	2025-26	2026-27	2027-28	2028-29	2029-30	Total
Solar Energy (GW)	0.0366	0.0388	0.0401	0.0416	0.0426	0.0435	0.2434
Hydro Energy (Large) (GW)	-	-	0.020	0.020	0.020	0.020	0.080

2.The Chandigarh Administration also commits to the following policy interventions:

- a) Providing and enhancing the grid connectivity for the successful implementation and operation of renewable energy projects in the UT by ensuring timely and adequate grid connectivity for the proposed renewable energy projects in coordination with relevant State and Central agencies to facilitate the evacuation of renewable energy into the UT electricity grid systems.
 - b) Developing or upgrading transmission infrastructure to accommodate the additional load generated from these renewable energy projects coordinating with the Central Electricity Authority (CEA), State Load Dispatch Centers (SLDCs), and other relevant entities to ensure efficient evacuation of power from the Project sites.
 - c) Creating a conducive environment for renewable energy development by implementing supportive policies and regulatory frameworks by streamlining approval processes, considering UT-level incentives to developers and investors and aligning with national policies to promote renewable energy growth in the UT of Chandigarh.
3. In order to achieve the above policy commitments of the Chandigarh Administration the following Policy Measures are proposed to be taken for renewable energy projects:

- i. Saturation of Rooftop of all Govt. buildings by Dec,2024.
- ii. Saturation of Rooftop of all Private buildings by Dec,2025.
- iii. Amendment in building Bye-Laws to make mandatory installation of Rooftop SPV Power Plants at houses above 250 Sq yrds.
- iv. As Chandigarh is a land locked city, we commit to cover all possible water bodies with Floating Solar Power Projects and all feasible Parking areas with High rise Solar Power Projects conserving the land resource of U.T., Chandigarh.
- v. Planning to make all Govt. Departments NET ZERO by 2030.

4. This Shapath Patra represents a statement of intent by the Chandigarh Administration and does not, by itself, constitute a legally binding contract or obligation.

(ANNEXURE-2)

Memorandum of Understanding (MoU)**Between****The Ministry of New and Renewable Energy (MNRE), Government of India****and****Electricity Wing of Engineering Department, Chandigarh (EWEDC)****Preamble:**

This Memorandum of Understanding (MoU) is entered into this on 24.09.2024, between the Ministry of New and Renewable Energy (MNRE), Government of India, and Electricity Wing of Engineering Department, Chandigarh (EWEDC).

Recitals:

WHEREAS, MNRE is entrusted with the responsibility of promoting and developing renewable energy sources, including solar energy, in India.

AND WHEREAS, MNRE is implementing PM - Surya Ghar: Muft Bijli Yojana (hereinafter referred to as "The Scheme").

AND WHEREAS, REC Limited has been designated as the overall National Programme Implementing Agency (NPIA) for the PM - Surya Ghar: Muft Bijli Yojana.

AND WHEREAS, Electricity Wing of Engineering Department, Chandigarh (EWEDC) and their implementing agencies i.e. Chandigarh Renewable Energy and Science and Technology (CREST) through a separate agreement, have a crucial role in the successful implementation of the PM -Surya Ghar: Muft Bijli Yojana at ground level.

AND WHEREAS, both MNRE and EWEDC recognize the need to collaborate to accelerate the deployment of grid-connected rooftop solar under this scheme.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, both parties agree as follows:

Objectives:

To promote the installation of grid-connected rooftop solar systems in the residential sector within the geographical jurisdiction of Chandigarh and to that conduct public awareness, outreach activities, and capacity-building initiatives to promote their adoption;

To set ambitious rooftop solar targets for the Government, commercial, and industrial (C&I), as well as residential sectors and establish robust high-level monitoring mechanisms for overseeing the progress of the implementation of this scheme.

To strengthen DISCOM for rooftop solar implementation by identifying dedicated manpower for this programme, undertake efforts to enhance the rooftop solar vendor base in Chandigarh and create a positive regulatory environment for grid-connected rooftop solar power into the electricity grid, ensuring the efficient and sustainable use of solar energy.

Responsibilities of MNRE:

Policy & Regulations Support: MNRE will provide guidance /inputs / recommendations to update existing policy and regulations to EWEDC.

Technical Assistance: MNRE will collaborate with EWEDC for technical standards and guidelines assistance for grid-connected rooftop solar installations.

Financial Support: MNRE shall provide financial support in line with the guidelines of the PM-Surya Ghar: Muft Bijli Yojana.

National Portal: MNRE shall be responsible for the Development and management of the National Portal.

Responsibilities of EWEDC:

The EWEDC agrees to implement the Scheme and to that end shall ensure

- 1) **Adherence to Scheme Guidelines:** The EWEDC shall ensure adherence to the scheme guidelines in their entirety including the use of the scheme name.
- 2) **Regulations:** The EWEDC shall ensure that the processes, UT Chandigarh level Standard Operating Procedures and regulatory provisions are at least in alignment with the provisions of Electricity (Right of Consumers) Rule 2020 and its amendments thereof and in alignment with the guidelines of the Scheme.
- 3) **Service Time Lines:** The EWEDC shall ensure that time-bound services are provided to consumers for RTS for critical services such as technical feasibility, inspection, commissioning, net meter supply and signing of Net Metering agreements.
- 4) **IEC Activities:** The EWEDC shall undertake public awareness campaigns as per the IEC plan of the Scheme and shall ensure adherence to Scheme IEC guidelines.
- 5) **Additional Subsidy:** The EWEDC may provide additional subsidy on top of the Central financial assistance, however this will be subject to adherence to all scheme guidelines and routing of additional subsidy

through the National Portal. Any alteration to the Scheme framework must be duly approved by the MNRE.

- 6) **Coordination:** The EWEDC shall coordinate with National Programme Implementations Agency for the successful implementation of the PM Surya Ghar: Muft Bijli Yojana.
- 7) **Monitoring of the Scheme:** The State Level Steering Committee headed by the Chief Secretary of the UT Chandigarh and District Level Committees shall regularly review the progress of implementation of the scheme.
- 8) **IT Integration:** The EWEDC shall coordinate in the integration of the State Portal API with the National Portal for sharing of relevant data relating to rooftop solar installations.
- 9) **Vendor Registration:** The CREST on the behalf of EWEDC shall register the vendors operating within UT Chandigarh. The vendor is hereby permitted to get registered to any DISCOM of the State/UT, in case of multiple DISCOMs operating in that State/UT and that no DISCOM shall refuse to cater their request for registration.
- 10) **Declaration of Target:** The EWEDC may declare short medium and long term targets for rooftop solar systems across all sectors.
- 11) **Formation of RTS cell:** The EWEDC shall create a dedicated RTS cell for the purpose of monitoring and coordination with the NPIA and Ministry.

Cooperation:

MNRE and EWEDC will collaborate on projects, research, and initiatives aimed at improving the distribution sector and accelerating the deployment of grid-connected rooftop solar systems.

Both parties will engage in regular meetings, discussions, and information sharing to ensure the effective implementation of this MoU.

Funding:

Funding for grid-connected rooftop solar projects and initiatives under this MoU will be determined through separate agreements or funding mechanisms as mutually agreed upon by MNRE and EWEDC.

Duration:

This MoU shall come into effect on the date of signing and shall remain in force till the PM Surya Ghar: Muft Bijli Yojana remains operative unless terminated by mutual consent.

Amendment:

Any amendment or modification to this MoU shall be made in writing and will require the consent of both parties.
